

# YOU CAN BE A CONDUIT OF HOPE

Do you go through life with eyes wide open, looking for opportunities to connect with people and show them what true hope looks like? Sometimes we can get so bogged down in our daily needs or struggles that we miss how God wants to use them to open doors for connection with those around us.

This episode will open your eyes to the simple ways God wants to bring hope and encouragement to the world through you today.

**DO YOU KNOW HOW MUCH YOU MATTER TO JESUS?
