

# ARE YOU READY TO LIVE FOR WHAT MATTERS?

What are you afraid of missing out on this week? Is that fear distracting you from what's important or keeping you on track? You see, when God put you on the earth for such a time as this, He did so with great intention and purpose. But each of us has to develop the discipline and endurance to fulfill the mission God has for us.

This episode will open your eyes to the everyday things that may be distracting you from the good things God has for you and redirect your focus so you can live for what matters.
