

# WHEN YOU'RE UNSURE OF WHO YOU ARE

Everything changed for Christine when she learned she was adopted. Or at least, it could have. What God showed her through that experience is what she's going to share in this episode. We're all going to find our identity shaken. The question is: In a world full of chaos and challenge, where will you choose to receive your value, security, and significance?

This episode will empower you to know who you are in Christ so you can live confident and faithful no matter what life throws your way.
